Patton Springs FFA

30 Day Eco-Friendly Challenge

## Earth Month

Patton Springs FFA strives to be good stewards of the Earth, and we challenge you to join us in our 30-day Eco-Friendly Challenge throughout the month of April. We made this challenge in hopes that we can help conserve natural resources, minimize pollution, and combat the amount of waste made daily. Every day tons of chemicals and waste are discarded onto the Earth's surfaces! We know Eco-Friendly living is important for the environment, but it also plays a significant role in sustaining our future generations. Help us be better for the planet and join us in our 30-day challenge. Who knows; it just might become a lifestyle!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				 1 Start Using a Reusable Water Bottle	 2 Buy Local	 3 Say NO to plastic Straws
 4 Educate Yourself on How to Recycle	 5 Shop With Reusable Bags	 6 Donate Clothing	 7 Conserve Water	 8 Recycle 5 Items	 9 Turn Off Lights	 10 Try Eco-Friendly Transportation
